We strongly recommend that you print sign-in sheets with pre-populated student names and birthdates (and a space for them to include the colleges to which they've applied), rather than using this form. However, we provide this form in the event you are not able to use pre-printed class lists. These forms should be submitted to Oregon GEAR UP immediately following your event.

Student Sign-in Sheet

First Name	Middle Initial	Last Name	Birthdate (xx/xx/xxxx)	How many college applications did you submit?	Did you submit any scholarship applications?
