

DIY Pennant

On the front, students decorate the pennant to represent characteristics of their best fit college; on the back, students write the name of the college they plan to attend.

OR

Students decorate the pennant to represent the college they will attend.

Display or use the pennants during your celebration.

QUESTIONS TO CONSIDER WHEN MAKING A COLLEGE DECISION:

- Does the college have the majors or programs I want?
- Will I be able to participate in extracurricular activities that interest me?
- Where is the college located? Is this location desirable to me?
- Where do students live? Am I excited about this?
- With financial aid and scholarships, can I afford this college?
