

FINANCIAL AID APPLICATION INFO

Financial aid is money to help pay for college. There are four main types of financial aid: grants, scholarships, work-study and loans. In order to receive financial aid, students and families need to complete one or more applications.

Before Applying

Determine which financial aid applications you will need to complete (see the list below of common financial aid applications). Make a list of the information you will need for each application and gather it before you apply. Schedule time to complete the application(s) and ask for help as needed.
