

11th Grade: College Checklist

IT'S A PLAN

It's time to work hard for good grades, be a leader, and refine your college options.

ACHIEVE

Do your best in school.

Academics are the most important factor in getting into and graduating from college. Build good habits now that will help you be successful.

- Go to all of your classes. Attendance matters!
- Turn in all assignments.
- Find a system that works for you to keep track of class material.
- Use a paper or digital planner to keep track of assignments and deadlines.

Take the right classes.

Make sure you have the classes you need to graduate from high school and apply to college.

- Take a full schedule of classes, including math, a second language and electives.
- Take challenging classes. Earn college credit while you're still in high school with AP, IB, or dual credit classes.
- Try a hands-on CTE class.
- Review your transcript and your senior year class schedule.

Prepare for college admission tests.

Some colleges require or accept admissions tests like the ACT or SAT.

- FALL:** Take the PSAT/NMSQT to qualify for scholarships.
- SPRING:** Take practice tests before signing up and taking the SAT or ACT if you need.

ENGAGE

Get involved.

Extracurricular activities give you the chance to explore your interests and make friends. Colleges like to see how you are involved in your school and community.

- Participate in school and community activities. Consider a leadership role.
- Volunteer for an organization or cause you care about.
- Make a plan for summer.

Spend time with good people.

Who you hang out with matters. Get a support system of people who want to see you succeed.

- Choose friends that share positive goals and interests.
- Find a mentor – a teacher, counselor, coach, other trusted adult or older student that you can talk to.

Make good choices.

Practice healthy, safe, and kind behaviors.

- Take care of your physical and mental health. Exercise, eat healthy and get enough sleep.
- Be safe online and on your phone.
- Google yourself. Adjust privacy settings or delete accounts you don't use.
- Avoid risky behaviors like drinking, doing drugs, and having sex.
- Be kind; treat others with respect.

EXPLORE

Explore college and career options.

You can go to college. There are countless possibilities when it comes to both college and career. Keep your options open as your goals, interests, and preferences change.

- Make a list of careers that interest you and the education you will need.
- Think about what is most important to you in a college.
- Make a list of 5-10 colleges or training options that interest you.
- Get to know your top colleges. Take a virtual tour or if possible, visit a college campus or attend a college fair.

Learn about paying for college.

You can afford college. Learn about the costs and how to pay for college.

- Explore what college costs. Estimate what you might pay using a net price calculator.
- Learn about financial aid and other ways to pay for college.
- Set up and regularly contribute to a college savings account.
- Make a list of scholarships and apply to any available to you now.

Get organized and get help.

Knowing how to get to college can be confusing. Get help in reaching your goals.

- Use Oregon Goes To College's templates and resources to help you stay organized.
- Update your file of important documents and a list of activities that you participate in. Create a resume with this information.
- Connect with a counselor, teacher, mentor or program in your school or community.
- Practice writing college and scholarship essays.
- Create and use a professional e-mail for all college-related activities,
